### Hab's First Question

How long (v. 2)

Why (v. 3)

Justice not upheld

God's people doing wrong. Why isn't God acting?

### God's Answer

### God's Big Answer

1-2 Hab. Waits and prepares for \_\_\_\_\_.

2 – "how I may reply"

2-3 Buckle Up! – A message to \_\_\_\_\_ --.

Timing is everything

(tarry but not \_\_\_\_\_)

4-5 Pride kills, faith \_\_\_\_\_.

Oft quoted in N.T.

not "Life lived by a \_\_\_\_\_ standard"

rather, "faith is \_\_\_\_\_"

pride/self= \_\_\_\_\_

faith = \_\_\_\_\_

6-8 The song starts

A Taunt Song – like a \_\_\_\_\_

Each stanza has "Woe" and a "For"

Woe-who increase what not his  
For-how long before that comes due (\_\_\_\_\_)

9-11 Woe – get’s \_\_\_\_\_  
For (surely) the plundered material testifies  
against you

12-1 Woe-builds city on violence & bloodshed  
(\_\_\_\_\_)  
For-it will be replaced with Kingdom of the  
\_\_\_\_\_

Note: God’s goal is not \_\_\_\_\_, but to be  
\_\_\_\_\_ (relationship).

Isa 11:1-9  
God’s glory is “\_\_\_\_\_”  
We glorify God when we \_\_\_\_\_.

15-17 Woe – corrupts neighbors (other \_\_\_\_\_)  
For – It’ll come back to bite you.

18-20 What good is an idol? (god of \_\_\_\_\_)  
Woe – one who tries to \_\_\_\_\_ from  
false god

**BUT** - The Lord is in His Temple  
\_\_\_\_\_

### Application

God’s answer is – He will deal with injustice and wrong  
-He allows the \_\_\_\_\_ man’s evil  
\_\_\_\_\_ to be part of the correction.

We \_\_\_\_\_, we \_\_\_\_\_, we  
\_\_\_\_\_  
God is patient but \_\_\_\_\_

God’s ultimate goal/answer will come (v. 14 –  
\_\_\_\_\_) and in the meantime,  
mankind should remember who is \_\_\_\_\_  
ultimately \_\_\_\_\_ (v. 20)

### Do you find yourself...

- Doing what you \_\_\_\_\_/feels right and then  
\_\_\_\_\_ when things go wrong?
- Making God fit \_\_\_\_\_ of who He is  
and then wondering why god \_\_\_\_\_  
when you need him?
- How \_\_\_\_\_ is your \_\_\_\_\_?  
Are you humble & quiet before Him  
or Fussing, arguing, and \_\_\_\_\_?
